**Director, Symbiosis Centre for Distance Learning  
Principal Director, Symbiosis Open Education Society**

Global boundaries are vanishing, merging people of diverse cultures, nationalities and age groups. Education is emerging as the most powerful platform to progress in this 'Boundary-less' world. Distance learning opens new directions of opportunities to obtain higher education without the constraints of location and time. Symbiosis Centre for Distance Learning (SCDL) offers a chance to enhance your career and life through the medium of quality education. Today, around 2,00,000 students from across the globe are studying in various SCDL programs, in order to achieve their dreams.

SCDL has pioneered in India the introduction of interactive e-Learning content in the curriculum, as a supplementary learning methodology, in order to improve the understanding of concepts through cases and examples. SCDL has for the first time in India, introduced online assessment and on-demand exams, to pursue our mission of '*self-paced, self-styled*' learning and to provide ultimate convenience, ease and flexibility to our students.

The Corporate Business Administration program has also gained tremendous popularity and SCDL is now an education provider to leading companies in India, such as IBM, HP, Cognizant, Cegedium, Collabera, Deloitte, Infosys, Kingfisher Airlines, D&B TransUnion, LG Soft, Dr. Reddy's, Wipro BPO, Wipro Infotech, EXL, Hindalco, Steria, BOSCH, Caliber and many others.

SCDL has been invited by foreign Universities such as Thailand and Malaysia for collaboration - a mark of the excellent quality education which we provide and appreciation of our unique, innovative student support services.

*"I welcome each one of you to our 'World Campus' where latest technology, innovative teaching methodologies and quality education are blended together to create unique learning experiences."*
