Symbiosis Centre for Distance Learning

Symbiosis Centre for Distance Learning (SCDL) is located in the heart of India’s premier educational centre, the city of Pune. SCDL has one of the finest interiors with a state of the art infrastructure and a skilled and dedicated team available to help our learners achieve their dreams. Our global family consists of students from all over India and also 63 countries abroad, representing varied educational and cultural backgrounds. At present, SCDL has almost 2,53,429 students studying under various programs.

SCDL unites students of all nationalities, regions, occupations and age groups under one virtual “World Campus” through the mode of open and distance learning (ODL).

SCDL emphasizes on a constantly evolving curriculum which is at par with the full time educational programs and meets the latest needs of a fast growing economy and progressive society. SCDL introduces new and innovative educational programs each year empowering learners to meet the challenges of a dynamic society.

SCDL is housed in 50,000 sq. ft. campus well-equipped with modern technology services and all the required facilities such as Video Conferencing, Training Laboratory, Classrooms, Audio-Visual Hall, Conference Rooms, Library, Corporate Cell, Cafeteria, etc.

One of the only institutes in India, SCDL houses in its campus a professionally managed Call Centre and E-Communication Centre in order to provide prompt and accurate response to student queries.

SCDL has its information centre in Bangalore, Nasik and Noida. These centres provide students with an easy access to all SCDL facilities.
Symbiosis Centre for Distance Learning (SCDL) has, since its inception in 2001, made rapid strides in providing quality education to thousands of students in India and abroad. The student enrollment has grown exponentially during the past five years. Today, the total active student strength of SCDL is more than 2,53,429 making it one of the few large and most sought after distance learning institutes of India.

In order to ensure quality, SCDL gets the best of academic resources for teaching, evaluation, e-learning and self-learning material preparation from its sister management institutes as well as from the industry. The curriculum is comparable to that of any full time management institute. The curriculum is designed and constantly updated by the Academics Department comprising faculty from top ranks of the industry and having several years of teaching experience. SCDL has full time and over 350 adjunct faculty who are available for academic counselling, developing curriculum and assessments and for providing feedback to students on their academic progress.

SCDL has pioneered several innovative concepts in distance education such as:

- **Introduction of a “Blended Learning” methodology for all our programs, combining all the three forms of learning, namely**
  - Published / Printed: Self Learning Material / Books
  - Digital: e-Learning & Pre-Recorded Lecture DVD
  - Faculty Interaction: Virtual Classroom & Online Chat Sessions
- **Introduction of highly interactive e-learning content as a supplementary learning methodology to improve the understanding of concepts through case studies and practical examples, thereby bridging the gap between the book and the classroom.**
- **Online Assignment facility to provide students the flexibility and convenience to submit assignments at any time and receive immediate results and feedback.**
- **On-Demand Online Examinations** are conducted across India and abroad, to provide students the ultimate convenience of booking a date, time and place of their choice to appear for the examinations.
- **Dedicated Student Call Centre** with dedicated telephone lines supported by call operators and student counsellors to give prompt response / guidance to our students. SCDL has introduced the integrated voice response system which provided automated data to student.
- **E-Communication Centre** which handles all student queries promptly & effectively received via e-mail.
- **SCDL has a Sophisticated Web-Portal, www.scdl.net** providing facilities like - Online Assignment Submission, Online Exam Booking, Message Board, Counselling, Campus-email ID with a 10GB mailbox, ability to view Admission Status and Academic Status etc.
- **Modular Course System with Credit Banking Facility:** Ability to take any Single Course and bank & accumulate credits for future transfer to other programs of SCDL thus providing Flexible Pathways of Learning.

SCDL is an autonomous institute and all programs offered by SCDL are autonomous.

**SCDL Placement Cell**

SCDL offers placement assistance to the students by acting as a facilitator. Many renowned companies such as Upside Learning, Manage-O-Soft, Ayush Software Pvt. Academic Resources

Academics and Research Department
The Academics Development and Research Department plays a key role in designing and constantly updating the curriculum after careful evaluation and study of the course contents offered by full time programs and ensures that the curriculum meets the latest industry / societal trends. The department is responsible for providing academic support to students. The department is assisted by expert faculty in all its activities.

Academic activities at SCDL include research work in “e-learning as growth drivers, its effectiveness and usage” and in Distance Learning Technologies. The department liaises with the Faculty and the Editorial Department.

Faculty Development
SCDL has over 400 visiting faculty members who help Academics Development and Research Department in developing curriculum and providing academic support to students, creating assessments and providing feedback to students on their academic progress. Faculty members attend workshops and training programs to seek innovative teaching methodologies and implement efficient learning systems for the benefit of students.

Train the Trainers
SCDL organizes monthly training workshops for faculty in order to train them on Quality and Standards related to Self Learning Material, E-learning and other content development.

Editorial Department
The editorial department is responsible for editing, proofreading of the self-learning materials (SLMs), prospectus and all other publications of SCDL, the Editorial Department is also responsible for publishing newsletters and journals.

Quality Assurance Cell
Quality Assurance Cell strives towards development of quality models and standards in Distance Education, creating benchmarks and auditing. A six sigma model has been introduced to ensure quality in all departments. This activity has brought about standardization and improvement in all inter-departmental processes. SCDL has developed comprehensive Quality Manual covering Standard Operating Procedures (SOP) for each department and its business processes.

Advisory Committee
The members of the Advisory Committee are experts in the field of education, distance learning, academics and corporate training. The Advisory Committee plays an important role in advising and setting institute policies, in approving new programs, ensuring quality and in taking strategic decisions which are important for the future direction and growth of SCDL.

Academic Council
The Academic Council comprises of experts from academia and industries. The Academic Council plays an important role in establishing quality guidelines, designing curricula for various programs, introducing new programs and faculties, and designing credit system. The council has a combination of experts from education / industry and academia to ensure that SCDL programs and curricula meet the requirements of the industry and the society, meet the guidelines set forth by Distance Education Council and are of the highest academic standards. The Academic Council is assisted by Board of Studies for Curricula and Content development of various programs and to implement academic decisions.
Credit System

Credit System is used to measure the workload of a student's learning effort. Each course of the curriculum carries credit points. One credit point is equivalent to 30 hours of study. Study hours consist of time spent by the students in:

- Reading & understanding the self-learning material
- e-learning
- Integrated Learning
- Preparation and submission of assignments
- Preparation for examinations
- Preparation of Projects / Case Studies, if any

The basic objective of transfer of courses and corresponding credits is to encourage students to continue learning in an 'Open System' thus acknowledging prior learning at SCDL.

From Academic Year 2011, students will be able to transfer courses and corresponding credits earned by taking single courses to other programs of SCDL at a later date and subject to the applicable conditions as laid down by SCDL from time to time.

Credit Transfer System

- The transfer of courses and corresponding credits policy applies to all programs and single courses of SCDL.
- A student can transfer maximum four courses and their corresponding credits if they wish to enroll to a one or two year program offered by SCDL.
- Transfer of courses and corresponding credits are not allowed for any similar courses studied by the student from other institutes / universities other than SCDL.
- For transfer of courses and corresponding credits, a student must have completed and passed with a minimum of 50% in the course(s).
- Transfer of courses and corresponding credits are allowed only within the program validity period whose courses and credits the student wishes to transfer or as particularly specified in case of Single Courses.
- Transfer of courses and corresponding credits are subject to the Director's approval and students are required to submit a written "Request for Transfer of courses and corresponding credits application" to the Director, SCDL.
- There will be no concession in the program fees for the program in which the student wishes to enroll due to transfer of courses and corresponding credits.
- There will be no change in the duration or registration validity of the program in which the student is seeking admission, due to transfer of courses and corresponding credits.

SCDL has a grading system which gives aggregate percentage as well as the respective grade.
Learning Methodology & Student Services

SCDL has developed a unique “blended learning” methodology that combines all three forms of learning, namely, Publish / Print, Digital and Faculty Interaction. SCDL’s Integrated Learning Approach is in line with our mission for providing ‘self-paced, self-styled’ learning.

Self-Learning Material:
All students are provided with comprehensive self-learning material (SLM) at the beginning of each semester. Renowned authors specially design the self-learning material for each course of the curriculum, with the distance learning methodology in mind. The self-learning material includes self-assessment questions also. SCDL has introduced a unique course code for each of the courses prescribed for a particular program. The course code includes the academic year, a specific identification number and the version of SLM. e.g. 11.101.01 indicates the academic year 2011, 101 as an identification number of the subject PPM and 01 is the second version of the SLM. SCDL revises SLM frequently once in 1 - 2 years to keep in line with the current market trends.

e-learning:
SCDL has introduced ‘e-learning’ as a supplementary methodology for all its students to enhance understanding of key concepts and bridge the gap between distance and classroom based learning. The e-learning sessions enhance the understanding of the subject matter by presenting scenarios, audio / video clips, case studies, quizzes and activities. Students can go through the e-learning modules available on the SCDL website or CD packed along with the self-learning material.

Pre-Recorded DVD Lecture:
Students can enhance their understanding of key concept by viewing pre-recorded lectures from expert faculty on important courses and areas of the program curricula. Such lectures are in the form of DVD and are available at a nominal cost upon enrollment. Information is provided to students through the SCDL website.

Virtual Classroom Sessions:
In a Virtual Classroom environment, students are able to attend a live online classroom and interact with an expert faculty via the internet. Students can ask questions, have peer interaction and even replay an archived lecture. Virtual classroom sessions are conducted for all courses throughout the year.

Online Faculty Chat Sessions:
Online Faculty Chat Sessions allow students to interact with faculty by typing their questions and receiving immediate answers in an online environment.

E-Mentoring:
SCDL provides an extremely fast and effective e-Mentoring system for academic support to all its students. Through the e-Mentoring system, students can address their specific academic queries via e-mail to SCDL, to which an in-depth reply will be sent within 2-3 days by an expert faculty.

Web-Based Support Services:
SCDL has a sophisticated Web-Portal providing the facilities listed below which the students can use:
- Personalized interface and unique login for each student through the “Student Centre Login”.
- Ability to submit online assignments at any time and view immediate results.
- Flexibility to give On-Demand online exams as per desire.
- View important instructions regarding exams, assignments and other activities through a Message Board.
- Ability to view fee and academic status.
- Ability to send e-mails to SCDL representatives as per nature of query in order to receive a prompt response.
- Ability to access e-Learning Content through the Student Centre Login on the SCDL website.
- SCDL has introduced interactive lectures on relevant subjects, broadcasted through Video Conferencing / internet throughout the year.
- Chat Session with SCDL faculty is also made available on a periodic basis in order to provide academic support.
- SCDL has introduced Virtual Classroom Sessions, which is conducted live & online throughout the year for all courses. Students interact with the expert faculty and clarify their doubts.
Admission Procedure

Walk-In Admissions
Students may walk into SCDL with the duly filled application form, registration fee and all other required documents. If the student satisfies all admission and eligibility criteria, then the student can walk out with the Admission Letter, Identity Card (for confirmed admission), Exam Hand-Book and Welcome Kit.
