

**Urgent Requirement of Instructional Designers/ Content writers (Internships)
KeelWorks Foundation (Washington State, USA)**

<p>Brief Profile of the Company</p>	<p>KeelWorks Foundation. KeelWorks is a non-profit, and currently all-volunteer, 501(c)(3)-approved foundation. Keelworks is dedicated to changing outcomes for underachieving learners with a comprehensive approach to change. Nearly every learner is an underachiever in some way. KeelWorks is formed to address disengaged learners and others who are not reaching their enormous potential. The goal is to incite the thrill of learning and engraft learning competencies.</p> <p>Internships- At KeelWorks Foundation we give interns a real industry experience with clear process, guidelines, and objective role criteria. We allow interns to represent their experience as actual work experience, if they contribute. They can also mention this experience as an industrial experience in their resumes and would get professional references from us.</p> <p>For further details please refer to- www.keelworks.org</p>
