

Symbiosis Open Education Society (SOES) Announces Teacher Development Workshops

Symbiosis Open Education Society has organized various workshops for the development of teachers of schools, colleges and universities. These are short term workshops ranging from one day to three days of duration. Various topics will be focused upon in these workshops like 'Effective Teaching Skills', 'Preparation of NET / SET Examinations in subjects like English, Management, Commerce, Education & Law', 'Presentation and Soft Skills for Teachers', 'Use of Technology & Multimedia in Teaching' and many more. These workshops will definitely benefit the teaching community for shaping young minds, their teaching skills as well as research skills. Few more workshops like Research Techniques, Lesson Planning, Content Development, Syllabus Planning & Curriculum Designing, are in the pipeline, which will be scheduled soon. Personal attention is possible due to limited number of participants. A certificate will be issued to all the participants after successful completion of the workshop.
