Principal Director's Message

Dr. Swati S. Mujumdar
Principal Director,
Symbiosis Open Education Society

Dear Readers,

As we celebrated Navaratri and Saraswati Poojan at SCDL this month, the campus was filled with devotion, learning, and gratitude. These celebrations remind us of the divine connection between wisdom and progress - the very essence of Goddess Saraswati's blessings. At Symbiosis, we have always believed that true education goes beyond knowledge; it nurtures values, creativity, and character.

Our journey over the past 25 years has been guided by this vision - to create a world where learning is accessible, transformative, and lifelong.

As we invoke the Goddess of Learning, may her blessings continue to inspire us to empower minds, ignite curiosity, and lead with compassion and purpose.
