About SCDL

Symbiosis Centre for Distance Learning (SCDL) is one of the largest private distance learning educational institutes in India. Established in 2001, SCDL has been a pioneer in providing flexible, high quality education to thousands of students in India and abroad. As we celebrate Silver Jubilee Year (25 years of excellence in online education), we take pride in our journey of empowering learners and shaping careers through innovative distance learning programs. SCDL offers Post Graduate Diploma, Diploma and Certificate programs across all industry sectors. In addition, our team partners with local, national, and international organisations to offer corporate programs. The curriculum is designed and constantly updated by our Academics Department, comprising dedicated faculty and subject experts from top ranks of the industry having several years of teaching experience.

As global boundaries continue to blur, education has emerged as a powerful catalyst for connecting diverse cultures, communities, and generations. SCDL has been at the forefront of this transformation, equipping learners with the knowledge and skills essential for success in an increasingly dynamic world. Over the years, the institution has pioneered interactive e-learning methodologies, incorporating case studies and real-world applications to enrich the curriculum.

Notably, SCDL was the first institution in India to introduce an online assessment system, embodying its mission of '**Learn Anytime, Anywhere**' and ensuring ease, convenience, and flexibility for students.

Student Testimonial

Reba Samson

Educator,
PGDEA - 2019 Batch

“SCDL is offering a very unique course that other colleges as of now are not offering. After completion of this course, I spread a word of mouth that I have completed it and not only am I getting exposure in my own organisation, but also in the organisations which I had applied for. It has helped me both personally and professionally. I have learned many concepts which I was unaware of, after having 6 yrs. of experience as an Educator. Thank you all to my lecturers for giving such flexibility in this course.”
